#### New giant marble run

In October 2018, the Roger Federer Foundation donated a giant marble run to the children of Churwalden. There are only 20 such marble tracks in the world. Now there is one of them at our restaurant Portal. The marble run has 14 exciting conveyor mechanisms on which the children can crank, pull and push. The boccia balls used for this can roll a total distance of 145 meters. The use is free of charge.
