Giant marble run

In October 2018, the Roger Federer Foundation gave the children of Churwalden a giant marble run. There are only 20 such marble runs worldwide. One of them is now located next to our Restaurant Portal. The marble run has 14 exciting mechanisms that children can crank, pull and push. The boccia balls used for the marble run can roll a total distance of 145 metres. Use of the marble run is free of charge.
